

Institutional Distinctiveness

The S. N Institute of Pharmacy started as a pioneer institute in self-financed category on 9th July 1984, in the aegis of already established renowned society, Janata Shikshan Prasarak Mandal, Pusad. The S. N. Institute of Pharmacy is recognized as an excellent Institute of Pharmacy for its outstanding efforts to provide quality health education to the remote rural folklore and to improve the health of society. The S. N. Institute of Pharmacy is committed to promote the health and wellbeing of society by educating competent and motivated pharmacist and to provide indigenous technology manpower of industrial development of nation as stated in vision of institute.

The institute has been accredited by NAAC and secured “B⁺⁺” grade in first cycle. Recently institute added new Diploma in Pharmacy course with 60 seats capacity. Institute participated in NIRF. Institute has scrupulously followed all norms of the regulatory bodies and has emerged out unscratched through all rigorous tests of inspection. Institute has highly experienced and dedicated staff contributes in providing excellent pharmaceutical education.

The institute prepares students to meet ever increasing technological, social changes with its tradition on self-discipline, hard work, all-round personality development and creative approach to problems. The institute adopted innovative teaching tools like power point presentation, online Google class-rooms for improving teaching methods and installed audio systems, wi-fi net facility. Upgrading of laboratories, workshops, computing facilities and amenities has been a religiously ongoing process.

Institute conducts different courses for capacity enhancement and development of students. Institute conducts counselling of 12thstd student's about awareness of pharmacy profession. Students are trained in different area like production, research and development, community pharmacy, Marketing and Hospital Pharmacy by arranging guest lecture of different expertise in those area in order to make students capable from placement point of view. Students are allowed to handle the sophisticated instruments to get practical exposure. Students are provided motivation for moral and social values and guidance to maintain personal hygiene and health for the social care. An extensive infrastructure exists to imbibe and cultivate their attributes amongst students.

The teaching staff is always encouraged and supported for attending workshops, staff development programs and research activities to establish growth oriented, stimulated and satisfied environment for the employees. As a part of curriculum the students complete ‘Industrial Training Course’ and the P.G. students are always encouraged and motivated to carry out research projects in industries to develop strong bond between the institute, students

and industry. The institute hosts a very congenial environment which provides students with vast opportunities in developing not only technical skills but paving way in developing hobbies, interest in various fields, interdisciplinary initiatives, arts, culture, sports, aesthetics, dedicating time to fulfil social obligation to make them better individuals and professionals. The desired outcomes like dominance of students in placements, promoting successful professionals in industry, entrepreneurship, have remained unfazed. Institute is always committed towards social welfare, with the view of social interests.

The institute is conducting most distinctive activity as counselling for nearby people on Covid-19 disease as per government protocol, counselling to farmers on avoiding pesticide poisoning, also institute is providing guidance to farmer's ward for cultivation of non-conventional medicinal herbs at their own farm. Institute have active participation in Go Green India, Door to Door counselling to nearby community and at adopted village on current issues. Institute provide post-surgical supporting appliances for deprived orthopaedic patients through Equipment Bank, and facility for Eco-friendly Ganesh Idol Immersion as Green Ganesh Festival, free service of mortuary freezer box for holy bodies for preservation of dead body up to cremation. The institute has been implementing scheme of Book Bank to all students with at least four books based on their curriculum.
